# VISITOR PARKING/REGULATIONS

There are five visitor parking areas on campus. All visitors should proceed directly to one of the visitor parking areas marked on the map. Vehicles parking on campus without a valid permit and/or ticket are subject to ticketing and/or impoundment, without notice, at the owner's expense.

Student lots are identified and vehicles must display a valid permit or ticket purchased from a ticket dispenser. After 4:30 pm, Monday to Friday and on weekends, all lots are open to valid permit holders or drivers with a ticket purchased from a ticket dispenser.

Parking is not permitted in any area of the campus or on any surface that is not designated by the Institute as a parking area.
