

Construction & Engineering Career Fair 2022

Wednesday, February 2 | 12:30 – 4:30 PM

[Register here](#)

Please note: you are not required to stay for the full 4 hours – come by for conversations when it works for you!

Quick Tips for a Successful Event

- Research the companies below. Check out their websites for more on what they do and what jobs they hire for. Don't be fooled (or limited) by company names or job titles.
- Dig deeper than *available* jobs. Chat with company reps about opportunities not included on the list below or on their website
- Prepare a brief introduction and some notes on what you want to chat about as you will likely have 3 – 5 minutes to chat. (Remember – they can't see your notes)
- Use our prep resources below to help reach your goals for attending the event
