SUMMER FIELD SCHOOLS

BCIT[®]

BUSINESS
+ MEDIA

BCIT Business Summer Field School programs expand applied learning opportunities inside and outside of the classroom, providing enriching academic and cultural experiences. Summer Field School students participate in courses led by BCIT instructors, which are supplemented with international guest speakers and guided tours.

SUMMER FIELD SCHOOL

The options for the 2022 BCIT Summer Field School include: Austria and Italy, Belgium and the Netherlands, and Japan.

By attending a Field School you'll have the opportunity to receive credits for academic courses, learn about international business practices by visiting multinational companies, and ultimately, be fully immersed in the local culture. All Field School program activities will be organized by the International Programs office.
