

COMP 8037 and COMP 8047

| | Start Date | End Date |
|------------------|--------------------|------------------|
| Full-Time | | |
| COMP 8037 | September 7, 2021 | December 3, 2021 |
| COMP 8047 | January 6, 2022 | April 15, 2022 |
| Part-Time | | |
| COMP 8037 | September 15, 2021 | December 1, 2021 |
| COMP 8047 | June 7, 2021 | October 22, 2021 |
| | January 3, 2022 | May 20, 2022 |

Students must submit their final reports on or before the COMP 8047 end date.

Full-time students unable to submit the final report by the April 15 deadline are able to register into COMP 8047 Summer-term session in part-time studies by contacting the CST Btech Coordinator (cstbtech@bcit.ca) for approval before the June 6 start date. As always, each PTS course has an individual tuition fee, payable by the student.

COMP 8045 and 8046

| | Term | Start Date |
|------------------|-------------|--------------|
| Part-Time | | |
| COMP 8045 | Fall 2021 | September 16 |
| & 8046 | Winter 2022 | January 4 |
| | Spring 2022 | April 25 |

COMP 8045 and 8046 is an ongoing course offered throughout the year. Students are required to have their proposals approved prior to registration into COMP 8045 and/or COMP 8046. Once approved, students have up to one (1) month to register into their approved part-time major project course(s).

Proposals must be submitted in PDF format to cstbtech@bcit.ca by the second (2nd) Thursday of the month at 8:00am. There are no proposal reviews in the months of June, July, August and December.

COMP 8045 (9 credits) students have twelve (12) months to complete their project from the date their proposal is approved. COMP 8045 & 8046 (18 credits) students have twenty-four (24) months to complete their project from the date their proposal is approved.
