Job Overview

We have an exciting opportunity with the RCMP detachment for a permanent, full-time Crime Analyst II position with the City of Kamloops. This position performs complex, highly skilled, specialized research work that involves the application of research techniques to support relatively complex criminal investigative activities, operational programs, and crime reduction strategies under the limited supervision of the Client Support Services Supervisor. If this sounds exciting and you hold the required qualifications, apply today!

The successful candidate must have the following qualifications:

1. Completion of senior secondary school or its equivalent.
2. Completion of a Bachelor of Technology in Forensic Investigation, Crime and Intelligence Analysis from British Columbia Institute of Technology; **OR** Completion of a post-secondary degree in social sciences, criminal justice or criminology and a minimum of one year's experience within the last five years in crime and statistical analysis and research.
3. Proficient in intermediate Word and intermediate Excel as demonstrated through testing (70% pass rate required).
4. Minimum of three years' experience within the last five years working in a police municipal support environment using information and intelligence database systems such as, but not limited to, ROSS, CPIC, PRIME, JUSTIN, ArcGIS, and open source systems.
5. Shortlisted applicants must successfully pass a National Test for Intelligence Analysts administered by the RCMP Intelligence Standards and Program Development (ISPD) Section in order to proceed to the interview stage.
6. Ability to obtain and maintain RCMP Top Secret Level Security Clearance.

For new hires, and those working in designated positions of trust, including those working directly with vulnerable persons, no formal offer of employment will be made until an applicant completes a police information check.

A comprehensive benefits package is included with this position.
